It's impossible to know or understand an emotion if you haven't really experienced it for yourself. It's much easier to just walk through life in "auto" mode (at least for a while) but having a pet teaches us a lot about how to be more patient, humble, understanding and mindful. The Way We've Always Done It Most people don't work on themselves. They tend to avoid activities that have the potential to cause discomfort or pain. Especially for someone who's already experienced a lot of pain. No one wants to experience any more
